

Technical Specifications

PE-15U/800/AH & PE-15U/1000/AH

Physical

Rack Height	12U/15U
Width (rack)	570mm
Depth (mm)	800mm & 1000mm
Weight Capacity	40kg

Material

Doors	1.2 CRCQ
Open Area (Perforated Steel Door)	75%
Anti-Rust	Zinc Phosphate
Frame	1.0 CRCQ (Welded Construction)
Paint	Powder Coated
Colour (Standard)	Dusty Grey – RAL 7035/7037
	Black – RAL 9005

Conformance

Warranty	2 Years
Standard	ISO 9001:2000, IEC 297 1975, BS 5954:1980

Security

	1 x left hinged door with cam lock (with fans)
	1 x Right hinged steel perforated door with cam lock

Mounting

	Side mounted with strengthening support bands
	Supplied with mounting hardware kit
	(4 x M8 x 65mm Anchor (Rawl) Bolts)

Additional Benefits

	Removable side panel for easy access
	Double fan kit with filter and steel finger guards
	Front and rear panel mounts
	Cable entry blanking plate
	Top side brush cable entry
